Face coverings will be mandatory in Places of Worship from Saturday 8th August2020. All Those who are attending church must wear a face covering unless they are exempt from doing so. This is for the good of all who gather in the Church for Mass and users of the parish hall, as it is an enclosed public space where there are people from different households who do not normally meet.

Priests in the sanctuary provided they are sufficiently distant (2m or more) from the congregation do not need to wear a face covering except when distributing Holy Communion, Other ministers in the sanctuary should wear face coverings and remain socially distant from the celebrant.

We are trying to ensure that as many people can be seated safely in the church, additional seats have been set up in the hall, following the advised social distancing guidelines.

Our government has now asked that parishes endeavour to create an accurate temporary record of those who attend Mass in order to assist with the NHS Track and Trace. Please take the card and complete, and return to the parish office where it will be retained securely for 21 days. You can download and complete the card and bring it with you when you next come to mass. One card per individual or household group.
