Many parishioners that previously used the weekly envelope scheme for the collection at mass, have switched to a monthly standing order during the Covid crisis, as they are either not able to attend mass or prefer not to handle cash. If you would like to switch from weekly envelopes to a monthly standing order or would like to join the gift aid scheme for the first time, or have any questions please contact Nick Wells via the parish office or through his email: nickjohnwells@hotmail.com.

We are all carrying less cash, and more transactions are made contactlessly. It is important that the church enable members of the congregations and visitors to give contactlessly if they wish to do so. We are investigating the possibility of installing two wall mounted contactless devices near to the exit points of the church.

Our government has now asked that parishes endeavour to create an accurate temporary record of those who attend Mass in order to assist with the NHS Track and Trace. Please take the card and complete, and return to the parish office where it will be retained securely for 21 days. You can download and complete the card and bring it with you when you next come to mass. One card per individual or household group.
