14th March. 2021. – Fourth Sunday of Lent. Year B.

From Fr. Desmond Knowles- sharing a thought on Sunday.

"The most deeply moving truth that the church preaches is that we are forever loved by God. Christianity rests on the firm conviction the God's love reaches down into world in the person of Jesus. For every faithful heart this is the very essence of the gospel story. No passage in scripture puts it better than the words which Jesus spoke to Nicodemus, ' God so loved the world that he sent his only son, so that whoever believes in him may not die, but may have eternal life".

God loves each of us as if there is nobody else to love. He is the father who wants to walk with his family as they go through life and who cannot be satisfied until all his wandering children have come safely home.

We begin to realise the magnitude of God's love for us by looking at the crucifix. This portrays the image of the suffering Christ lifted upon the cross, absorbing the full brunt of the evil of our sins. All life's cruelties, hatreds and injustices are concentrated in that cross planted on the hill of Calvary. One of the amazing facts about the passion and death of Christ is that it has become the supreme proof of God's love

When all else fails we allow ourselves to be drawn in some way to the cross, it is the upright cross, once the sign of shame and humiliation become a channel of healing grace. The tree of death becomes the tree of victory."

If you are looking to deepen your life of prayer during this season of Lent, the diocesan spirituality commission is offering a retreat that you can follow at home. If you go to the following webpage:www.southwarksc.org.uk/followme for details,

First Holy Communion certificates for those children who have made the communion this year are available for collection from the sacristy.
